### Thought of the week

"Strength doesn't come  
from what you can do.  
It comes from overcoming  
the things you once  
thought you couldn't."  
~ Rikki Rogers

### EDUCATION WEEK

Thank you to our wonderful school community who supported our Education Week activities last week. We had a colossal crowd of parents, carers and grandparents at school on Thursday for our Open Day, Book Fair and Book Parade. We thank the canteen who provided some excellent morning tea to the parents who were able to come along and share this time with their children. Congratulations to our Beginner Band and Concert Band who excelled themselves in their performances and as you can see from the photos in this Newsletter, we certainly had a variety of characters from a range of books appearing in our Book Parade. We have only had positive feedback so far about this event.

Mrs McCabe thanks all the adults and students who purchased books from the Book Fair and we acknowledge this contribution to our school resources.

On Tuesday, the school's Public Speaking Competition took place under the excellent organisation of Miss Anciewicz. Our guest judge, Ms Ann Stimpson, an ex-teacher and a valued member of Blue Gum Flat Toastmasters, was most impressed by the high quality of our speakers. Congratulations to all speakers who had a go and represented their Stage. After much consideration, the winners were announced and we wish them all well in the next stage of this competition where they will compete against students from other schools this Thursday in our school hall.

Friday's Kindergarten 2020 Open Hour which showcased our P&C, uniform store, canteen, Scripture choices, library and robotics was well attended. The parents used this opportunity to learn more about the school, to meet the teachers and each other and to enjoy the generous morning tea provided by our Kindergarten 2019

This week we have a great day planned on Thursday for our Kindergarten to Year 2 Sports Day at Fagan Park. Our canteen workers are providing a stall with some treats for the day so please come along with your chair or a rug to sit on and enjoy this day watching your child compete and join in the fun activities.

## SPORTING NEWS

### ATHLETICS

Congratulations to all of our Athletics Carnival ribbon winners. Zone Athletics will be held on the 30 of August. More information, including permission notes will be sent home as soon as they are finalised by the convener. Well done to Rumbalara who won the carnival, followed by Katandra in second place, Wambina in third place and Girrakool in fourth.

Alana Currie

### EXCITING NEWS!

"The Silly Scientist Show" is coming to Point Clare Public School on Friday 10 May! Skilled musicians and teachers provide a high quality performance with aims to promote positive attitudes to participating in Science related activities across the curriculum. It's an interactive production filled with interesting facts, fun skits, music, comedy and science experiments. Not to be missed! Please ensure permission note and money (\$6) is returned by 26 August.

## LIBRARY NEWS

### BOOK PARADE

What an amazing effort PCPS. A big thank you to our students and families for making the Book Parade such a great success. It was terrific to see the enthusiasm for the parade this year. The variety of costumes were fabulous and all students, from Kindergarten to Year 6, obviously enjoyed participating in the day. The purpose of the parade is to celebrate reading and the joy that it brings, it was wonderful to see everyone smiling and having such a good time. Please send photos to [pointclare-p.school@det.nsw.edu.au](mailto:pointclare-p.school@det.nsw.edu.au) if you would like to share.

## BOOK FAIR

A big thank you to everyone for supporting the Book Fair. The funds raised from your support will be used to purchase new books for our school library. A special mention to the families who donated books to the library, these will also be available for students to borrow very soon.

This was our third Scholastic Book Fair and we now have all the essential titles in our school collection. As we start planning for next year's fair, I have decided it's time to change our host. I am excited to announce that next year's fair will include a wider collection of books that includes a bigger variety of publishers, reading levels and book titles.

Did your child order a book from the Book Fair?

We are expecting that these will arrive towards the end of this week. Book orders will be delivered to your child's classroom as soon as they arrive. Please contact me if you are concerned.

## AUTHOR VISITS

Please ensure your child received the note for their author visits. K - 2 will be hosted by author, Louise Park and 3 - 6 will participate in a visit from illustrator, Jules Faber.

## PREMIER'S READING CHALLENGE

Don't forget the PRC ends on Friday 30 August. Please ensure that students have updated their reading records by this date. Need help finding the last few books to read? Come and visit the Library, I can suggest a few quick titles to complete the challenge.

**Happy Reading!**

**Jodie McCabe (Teacher Librarian)**

## CHILDREN'S UNIVERSITY

The Children's University students made up some excellent essential oils under the tutelage of Mrs Post as the photos show, this was an educational, interesting session which the students and some parents enjoyed.

## SCHOOL BANKING IS A GREAT FUNDRAISER FOR OUR SCHOOL!

School Banking is also a great fundraiser for our school. Our school receives a 'Regular Savers Contribution' of \$5 for every 10 deposits processed per student, as well as an 'Annual Contribution' which is based on the number of students who made at least one School Banking deposit in the year.

This means that if every child banked just once in a year, we could increase the 'Annual Contribution' from the Commonwealth Bank by \$100.00!

So, let's get banking Point Clare – just 20 cents – just one time each year....

If your child has lost their book, they can bring their money to school in a sealed envelope with a note on the next School Banking Wednesday. We are happy to issue them with a replacement book and wallet.

A big thank you to all the parents who support the School Banking program at Point Clare PS. We would also like to thank the wonderful parents who volunteer as our School Banking Co-ordinators and process the deposits every week.

If you would like to know more about School Banking, please ask for a 2019 School Banking program information pack from the school office or visit [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking)
