## SUCCESSFUL STUDENTS

Last week I saw a large number of quality pieces of writing including some fantastic imaginative Stage 3 pieces written from a stimulus picture. The picture highlights a great piece of project work conducted by a Stage 2 student relating to the North American custom of "Thanksgiving". As part of the project a student interviewed his Canadian neighbours and really learnt a great deal about the historical significance of the practice of 'Thanksgiving' from a Canadian perspective. Particularly impressive from my perspective was how much of the intricate detail the student had learnt and could subsequently reflect on.

## PBL REWARDS DAY

## KINDERGARTEN TRANSITION 2021

This week marks the final week of the Jump Start Program and it is only fair to say that it has been a fully qualified success. Excellent leadership by Mrs Burke & Mrs Lavelle coupled with tremendous support from the 2021 Kindergarten teachers has seen a quality program delivered for our community. The 2021 Kindergarten students have already had a taste of literacy and numeracy as well as giving robotics and school sport a red hot go! Parents and Carers of the 2021 Kindergarten students will have the opportunity to book their "Best Start" interviews later this week. This involves a short assessment task with the student and will take place on either Friday 29 January 2021, Monday 1 February or Tuesday 2 February 2021. All 2021 Kindergarten students will then start school on Wednesday 3 February, 2021.

## COVID SAFE – SUMMER PACKS

As we come closer to the end of the school year, we'd like to extend our thanks to you, our parent community, for demonstrating so much resilience and patience towards the circumstances we faced together. We strived together to get the best outcomes for our students despite the pandemic and you have stayed by our side the entire time. Thank you again. We will be sending a COVID-safe summer pack to each student before the year ends. The contents of the pack will help students maintain healthy hygiene practices and to stay COVID-safe during the school holidays.

Here are some quick tips to help you and your families stay COVID-safe during the school holidays:

- Encourage your children to use their packs whenever they leave the house
- Meet outdoors whenever possible and wear sunscreen
- Meet in small groups
- Encourage good hand hygiene practices and remind your children to cough and sneeze into their elbow
- Keep up-to-date with the latest health information by monitoring the NSW Government web site [External link](#)

From all of us at Point Clare Public School, be safe and enjoy the school holidays.

## STAFFING UPDATE

Last week we celebrated one of our cleaning staff's 75th birthday. Dave Griffiths is a long term cleaner at Point Clare Public School and is well regarded by all students and staff. Dave is honest and always reliable and does a terrific job keeping our school safe and clean. Thank you for your service Dave.

**Mr Scott Campbell**  
Principal

## SCHOOL PHOTOGRAPHS

Those that have ordered special composite group photos for Training Band, Concert Band and School Leader Composite photo will receive a letter today from MSP Photography addressed specifically to them. The deadline date noted on the letter for orders to be completed is to be amended to this Friday 4 December.

## NUDE FOOD DAY

Tomorrow is Nude Food Day.

Nude Food is simply food that is not wrapped in foil, plastic or commercial packaging. The best type of nude food consists mainly of fresh food, so that it is healthy and nutritious plus environmentally friendly.

Promoting Nude Food empowers students to make conscious choices about what they eat and encourages them to think about their impact on the environment (and their health).

# POINT CLARE PUBLIC SCHOOL

## GENIUS HOUR PROJECT – ‘SCHOOL AND HOW IT STARTED’

Genius hour is a movement that allows students to explore their own passions and encourages creativity in the classroom. Students are then challenged to explore a topic of interest and complete an investigative project on that topic during school. They spend several weeks researching the topic before they start creating a product that will be shared with the class/school.

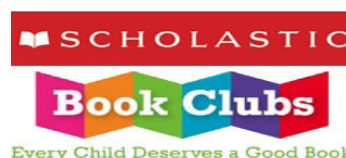

Ms Currie  
Stage 3 Teacher

## SCHOLASTIC BOOK CLUB

All orders have now closed. Late orders will not be accepted.

## KINDERGARTEN SPRING CARNIVAL

Last Thursday, during the morning session, Early Stage 1 students participated in a COVID-19 adapted Spring ‘Athletics’ Carnival on the top oval. To build student awareness of our school's sporting houses, they were encouraged to wear their house colours as well as sit with other students from the same house. Students were then given the opportunity to run in age short and long distance races with the session culminating in classes versing each other in a tug-o-war tussle. Well done to ES1 Blue for winning the battle. We certainly have some all-rounders in Kindergarten! Congratulations to all our students who demonstrated persistence, resilience and confidence on the day. There was much cheering from the sidelines as they supported one another. A special thanks to our Year 6 sports leaders who assisted on the day as well as Miss Waters who supplied students and teachers with much needed refreshments throughout the day.

Mrs Lavelle  
Acting ES1 Assistant Principal
