TERM 4 | WEEK 8 | 28 NOV 23

2024 PLANNING

Thank you to the many parents who have responded to our google form advising us of your child's educational needs for 2024. We are currently in the process of forming our classes for next year and would appreciate it if any families who are intending to leave the school for 2024 provide us with that advice before the close of business this Friday 1 December. We are currently right on the line for the formation of an additional class and this information is essential so that we can start the 2024 year with a clean slate. Alternatively, anyone who knows of children intending to return to Point Clare PS for 2024, please reach out and encourage them to make contact with us asap.

SUCCESSFUL STUDENTS

Last week we had Nate R & Grace K from Stage 2 represent NSW PSSA at the School Sport Australia National Athletics Championships from 23 to 27 November 2023 in Tasmania. In terms of results, Grace came 11th overall which is just sensational, and Nate came away with two 3rd third placings which is outstanding! One in the 200m and 3rd in the relay which is not surprising for anyone who has seen him run. To have the opportunity to compete at this level is truly remarkable and to finish so high up the rankings for Australia is just exceptional. We are all incredibly proud of you both!

CONNECTED COMMUNITY

You may have seen our Stage 3 tech leaders surveying parents at various events during the year via our iPads. Each year we attempt to measure how the community feels the school is travelling across seven key domains from the "Family-School Partnerships Framework". The domains are:

- ☐ Communication
- ☐ Connections with home & school
- ☐ Building community and identity
- ☐ Recognising the role of the family
- ☐ Consultation on decision making
- ☐ Collaboration beyond the school
- ☐ Participation.

Each dimension includes a statement about the importance of the activity's contribution to strengthening engagement with families and the community to improve student learning outcomes. Families are simply asked to rate the school's performance against each dimension and make optional comments if they feel the need to do so. The feedback from this survey will help to us to plan school initiatives for the 2024 school year. Last year parents and carers told us that they wanted more information about bullying, cyberbullying and social media so we addressed that by holding an event outside of school hours led by the Inter-relate company. There are more events around that topic already being planned for 2024. We would love to get your feedback via the following google form link. The form will close on 15 December, 2023.

LIBRARY NEWS

The Great Book Race

The race to return your books has begun!

All books were due to be returned last week, so the library can begin the annual stocktake. The students are keen to win the Great Book Race. The students are racing the teachers to return their books, in addition each stage is racing to claim the title of being the first stage to get all their books back to the library.

It's a very close race, things change daily, so at this point in time. Winning is easy .. all you need to do is return your books to the library!

Week 7 was the last library lesson for 2023, however books can be returned to your child's classroom teacher, the library during recess and lunch and also each afternoon a book return tub will visit each classroom to collect student returns. The school office will also accept book returns.

Overdue notices have been emailed home. Please contact me if a book cannot be found via Sentral Messaging or the school office. In some instances, a small replacement fee may be required to assist with the purchase of a new copy of the book.

Library Monitors

This week, our wonderful library monitors will receive a certificate of appreciation for their dedication and hard work. Library monitors are a very important part of the daily running of the library. These students volunteer their time to assist with tasks such as putting away books, sharpening pencils, assisting younger students and ensuring the library is kept tidy. On behalf of the school, I would like to say a big thank you to these students, we really appreciate your passion for the role.
